

PINNACLE

Water Treatment

Dechlorinator

- Filtered, chlorine-free water at every faucet
- Bath or shower without a swimming pool odour
- Soft skin without itching
- Protects laundry from premature fading
- Protects softener, appliances and fixtures

What makes the Pinnacle Dechlorinator superior?

- Starts with catalytic carbon
- Effectively reduces chloramines
- Wastes no water
- Reliable, non-electric
- More effective than mixed beds
- Handles high flow rates

CLACK IN/OUT DI UPFLOW CATALYTIC CARBON DECHLORINATOR
