

PINNACLE

Water Treatment

Pinnacle Cottage Water Treatment Series

Pinnacle is combining the proven performance of the Fleck softener and filter valves with the convenience of media tanks with bottom drains. Your family's three season cottage can enjoy the benefits of spa like water, while making the winterization of your cottage far easier.

FEATURES

- 5800SXT, 5800XTR2 or 2510SXT control valves
- Equipped with easy disconnect between bypass and valve body
- Easy to operate bottom drain ball valve
- LCD backlit display for low-light conditions
- Precision cycle positioning
- Softeners have soft water refill for better brine saturation and cleaner brine tank
- Programming memory backup in case of power loss/outages

**Water treatment solutions engineered
for your unique water needs.**

Fleck 5800 Cottage Water Series

SYSTEM INCLUDES
